

SENSE CONSORTIUM VENDOR ACCREDITATION DATABASE – DISCLAIMER WORDING

DISCLAIMER

Merlin Digital Consulting Ltd (Co No: 10429034) ("**Merlin**", "**we**" or "**us**"), in its capacity as founder and facilitator of The SENSE Consortium has given Members of the Consortium and others the opportunity to contribute their information to this Accredited Vendor Database (the "**Database**").

Information submitted to the Database is on a self-accreditation basis in response to a standard request for information provided by Merlin. Information submitted to the Database is not vetted or checked by us.

Members submitting Case Studies acknowledge that as they are made freely available through the Case Study Library, Merlin cannot be responsible for how they are used by Members or others with whom they are shared, and we would encourage Members submitting Case Studies to ensure that they include appropriate copyright notices and credits where third party information is included.

Users of the Database acknowledge and agree that by using the Case Study Library either to submit Case Studies or to access Case Studies submitted by others that:

- 1. any use of the Database is at their own risk; and**
- 2. that Merlin has no responsibility for, and shall not be liable for, any use of any Vendor included in the Database or for any information included or not included in the Database by a Vendor.**
- 3. Merlin is not responsible for any infringements of any intellectual property rights resulting from the inclusion of any Use Case in the Use Case database; and if this occurs, Merlin may seek compensation from the any Member responsible and/or remove the relevant Use Case from the Use Case Library immediately.**
